Email Subscriber Consent and Acknowledgment

This acknowledgment explains what you agree to when you subscribe to The 702 Edit and how to stop receiving our emails. It applies to our newsletter subscription, not to unrelated services or purchases.

Your subscription

By submitting a newsletter signup or sending an email requesting a subscription, I agree to receive The 702 Edit's monthly newsletter about local stories, events, small businesses, and life across the Las Vegas Valley. The newsletter may include clearly identified advertising and sponsored messages.

I confirm that I control the email address I provide or have permission to subscribe it. Signing up is voluntary, and no purchase is required. My consent applies to emails from The 702 Edit; it does not enroll me in separate mailing lists operated by advertisers or other businesses.

How we use your information

We use your email address, any name you choose to provide, and your subscription request to manage your subscription, send the newsletter, and respond to your questions. Email and website service providers may process this information on our behalf. We do not sell or rent our subscriber list or give it to advertisers for their own marketing.

We keep subscription information while it is needed to provide the newsletter and maintain records of consent. After you unsubscribe, we may retain a limited record of your email address and opt-out request to prevent further marketing emails and meet applicable obligations. For questions about your information or to request access, correction, or deletion, contact hello@702edit.com.

Your choice to unsubscribe

You can unsubscribe at any time by using the unsubscribe option in a newsletter or emailing hello@702edit.com with "Unsubscribe" in the subject line. There is no charge. We will honor your request within 10 business days. Unsubscribing does not affect your ability to read our publicly available website.

Your acknowledgment

I understand the subscription described above and agree to receive these emails. I may withdraw my consent at any time. This acknowledgment does not waive my legal rights or require me to indemnify The 702 Edit.
